Brother Cassian addresses the student body over the P.A. system.

THREE YEARS OF LEADERSHIP

Three years ago the much revered and respected Brother Francis F.S.C., left De La Salle for St. Paul's. Some students thought it was "the end of the world". Yet, fortune shined on DLS, and the replacement was Brother Cassian, F.S.C., a capable administrator.

Although confining himself more to looking after the Faculty's affairs and the public relations of De La Salle rather than invoking a direct hand in school affairs, Brother Cassian did a first class job. He initiated the annual Awards Night, which gave students the opportunity to get many different rewards for a long year's work. He was there when the newest addition to De La Salle, the school gymnasium, acclaimed one of the best in the South, was opened.

When Brother Cassian leaves us this year there is not a single person, whether a student or parent, who won't be sorry to see him leave De La Salle. Truly, it can be said to Brother Cassian without flattery, "Thanks! for a job well done!"

Brother Cassian greets new principal Brother Amedy, while members of the Mothers' Club look on

Brother Cassian discusses plans for the Fall Festival with representatives of the Mother's and Booster's Clubs.

IN MEMORIAM

In July of 1961 deLesseps S. Morrison became Ambassador to the Organization of American States by means of an appointment by John F. Kennedy, President of the United States.

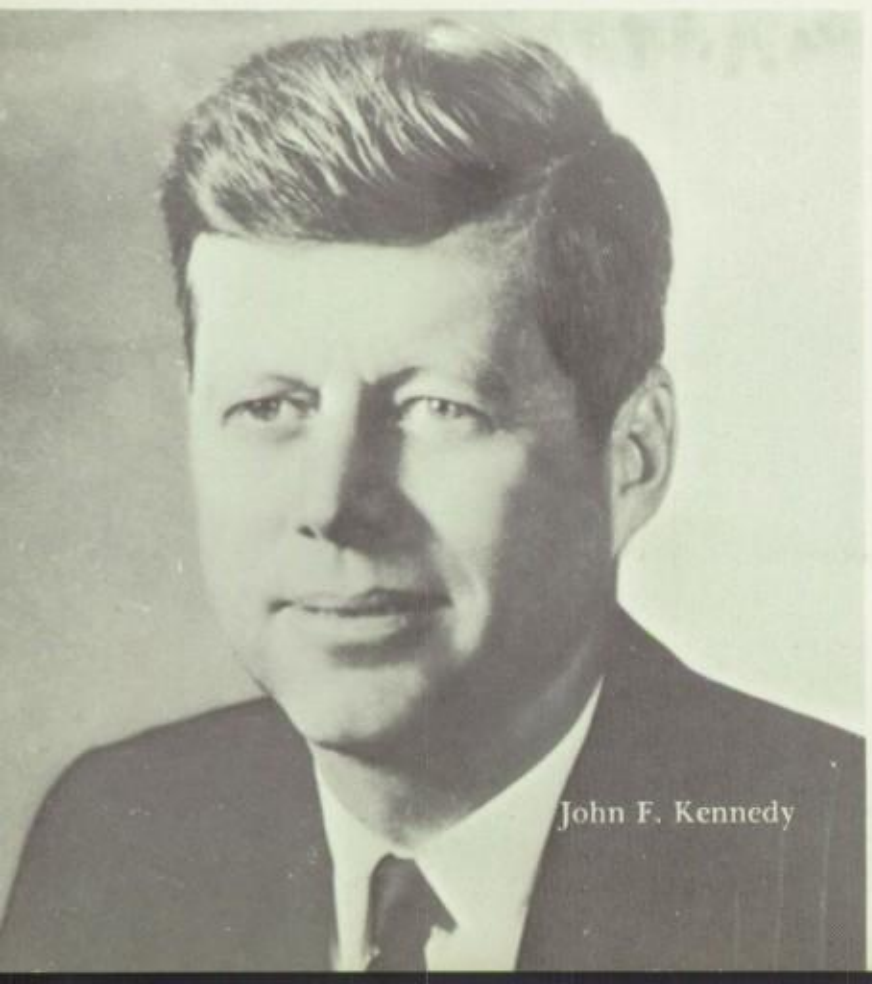
By July of 1964 both of these vigorous young leaders were dead, each meeting a violent death.

There is much to be said about the accomplishments of both of these men, however, as high school students, we will probably best remember them by their work toward youth.

Every kid whose life has been guided by NORD can thank the efforts of "Chep" Morrison. Thousands of youngsters received the opportunity to play organized ball, to learn to dance, to work with their hands, and to develop better characters by means of the New Orleans Recreation Department started by Mayor Morrison.

In his inaugural address, young President Kennedy showed consideration of youth by referring to the torch being passed to a new generation; as President he showed confidence in youth by starting the Peace Corps, whereby hundreds of young adults received the opportunity to give their talents to those in need.

Both of these men had the vigor of the young and the wisdom of the old, and both are lost to the youth of the world.



John F. Kennedy

SENIORS RECEIVE THEIR RINGS

CEREMONY AT ST. STEPHEN'S

The De La Salle senior rings were presented to the graduating class on the morning of Friday, September 25, in a ceremony held in St. Stephen's Church. Prior to the actual ring ceremony, the senior classes of De La Salle attended Mass and received a sermon on the significance and sacredness of the rings. After the sermon, the celebrant blessed the rings and the class presidents then distributed them to their individual owners. Accordingly, the seniors were given the morning off to admire their "symbol of achievement". However, they were requested to give any worshipping member of the lower classes at least an occasional glimpse of their rings and a few words of encouragement, such as, "Well, you might get one some day, if you're great enough—maybe".

Seniors congratulate each other after receiving their rings.

HOMECOMING WEEKEND

JEAN FARRELL REIGNS

Homecoming is the week when old memories come alive again for the graduates of De La Salle. Marked by several big dances, a bonfire, and highlighted by a tough football game, this year's homecoming was probably one of the most exciting.

Following the Nomination Dance, the student body voted for the court, and Miss Jean Farrell was elected Queen of the 1963 Homecoming Court. Miss Ann Bucaro was the Maid of Honor, and Miss Manette Giroir,, Miss Shirley Frolich, Miss Charlene Desporte, Miss Susan Folse, and Miss Jane Brauner completed the Queen's entourage.

The Court was officially presented at the Homecoming Dance in the Tulane Room of the Jung Hotel. Music was provided by the Jades Band and the guest singer was Irma Thomas.

The climax of the week-long activities was the De La Salle - St. Aloysius football game at City Park Stadium. It was a tough game but DLS won a 12-6 victory.

The bonfire raged for forty-five minutes before being extinguished.

A cheer went up from the spectators when the bonfire was lit.

FALL FESTIVAL

1963 RAMBLER IS MAIN ATTRACTION

Each year De La Salle holds a large bazaar coupled with a carnival. Each class at DLS puts up a booth for the purpose of either selling some trinkets or playing some games.

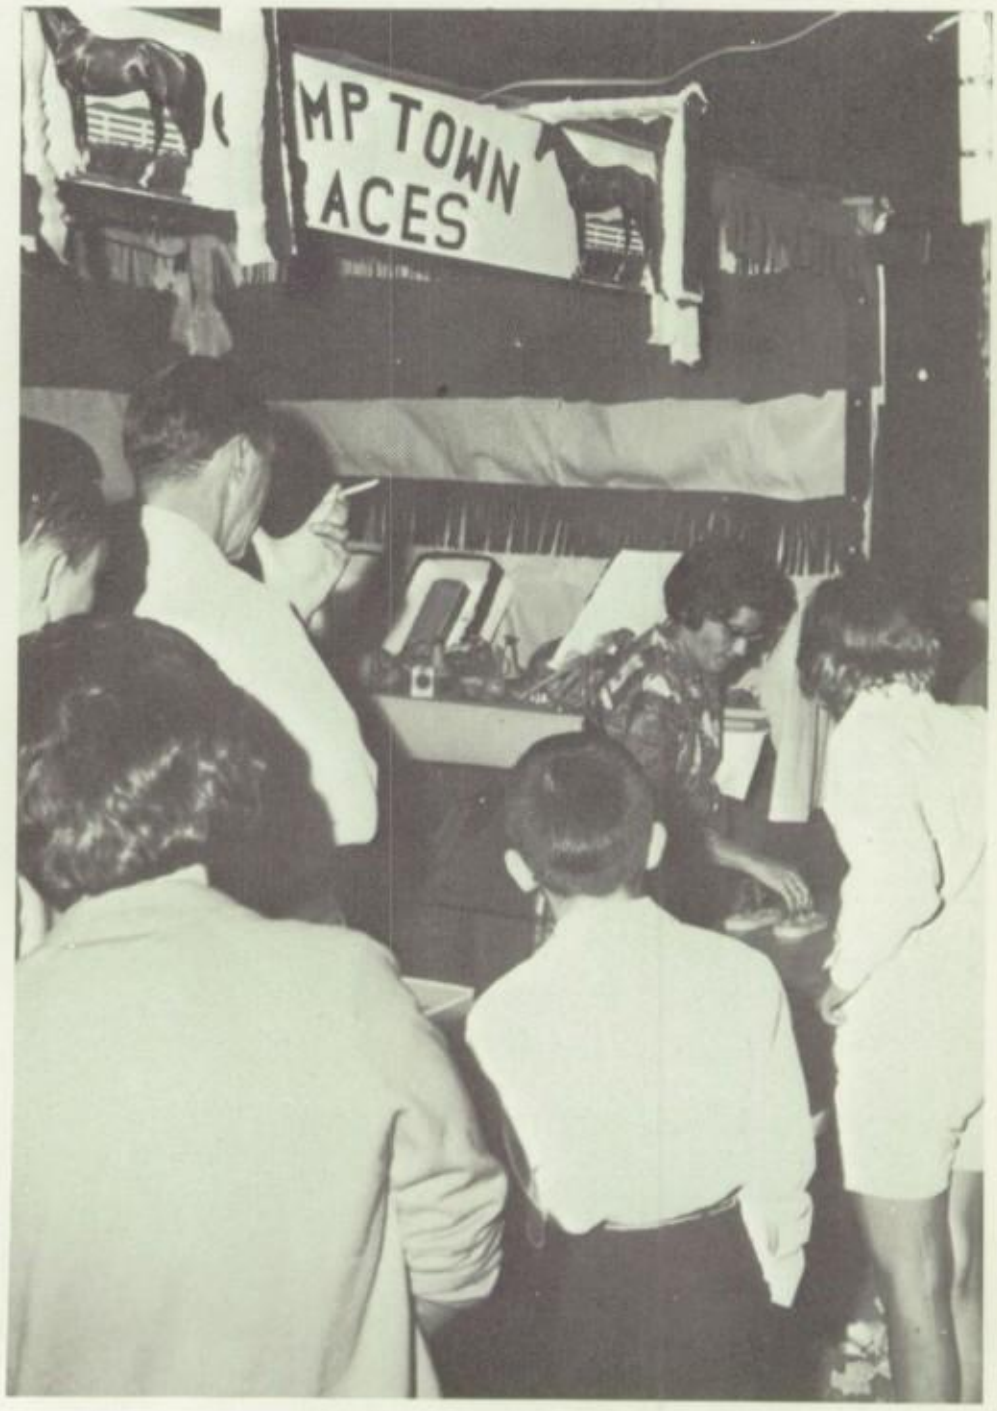
The festival is usually a success, raising much needed funds for the betterment of De La Salle. This year's fair, headed by M. P. Villere, and Mr. and Mrs. Seybold was no exception.

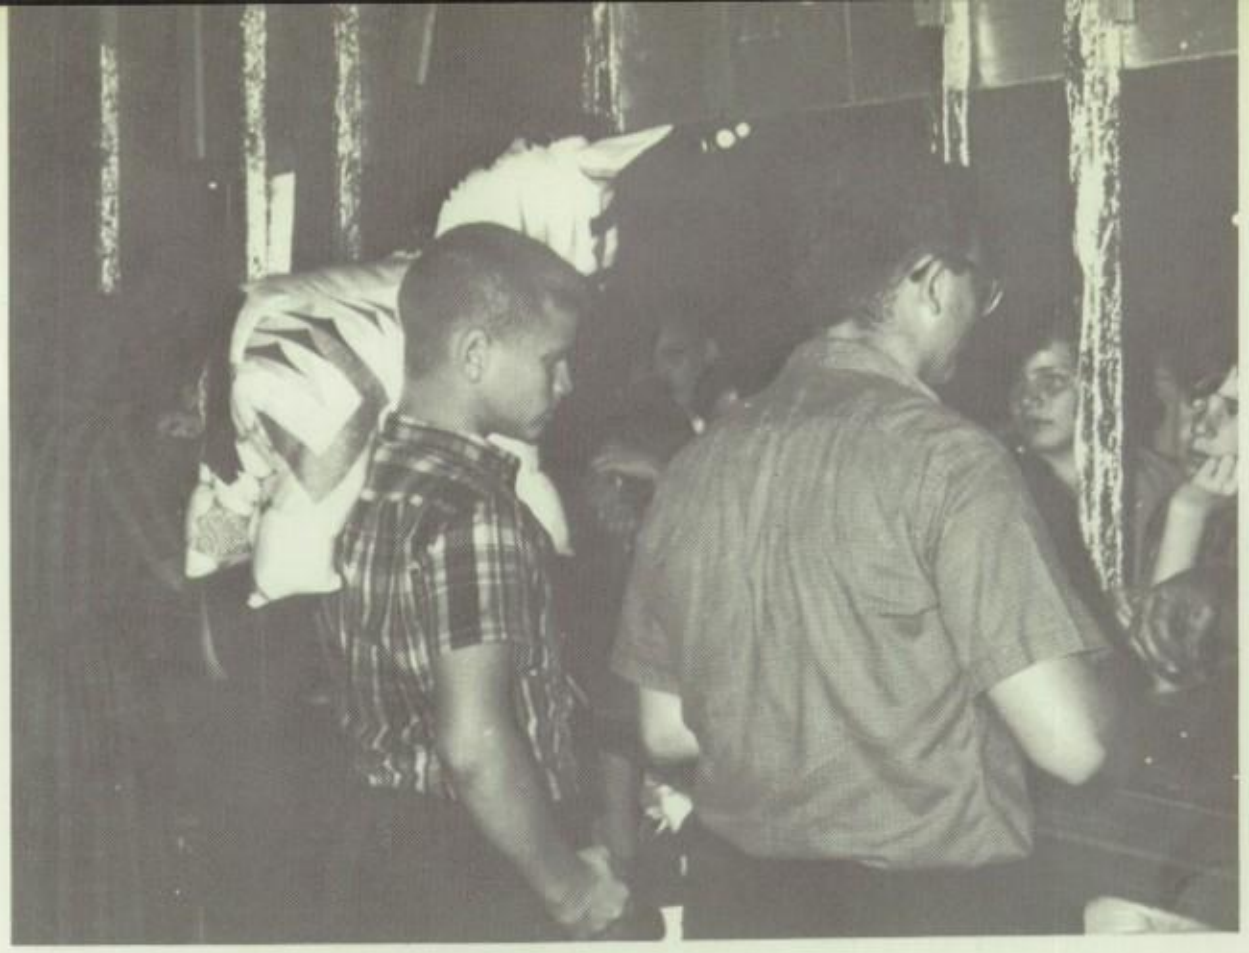
Coming to school early on Saturday, Oct. 19, 1963, students started putting up the booths. By nightfall the work was done and everything was set for a day of fun and game the next day.

And, true to form, it was indeed a day of fun and games. From the early morning hours to late night the schoolyard was filled with people. Two dances were held in the gym, with music being supplied by the Contours.

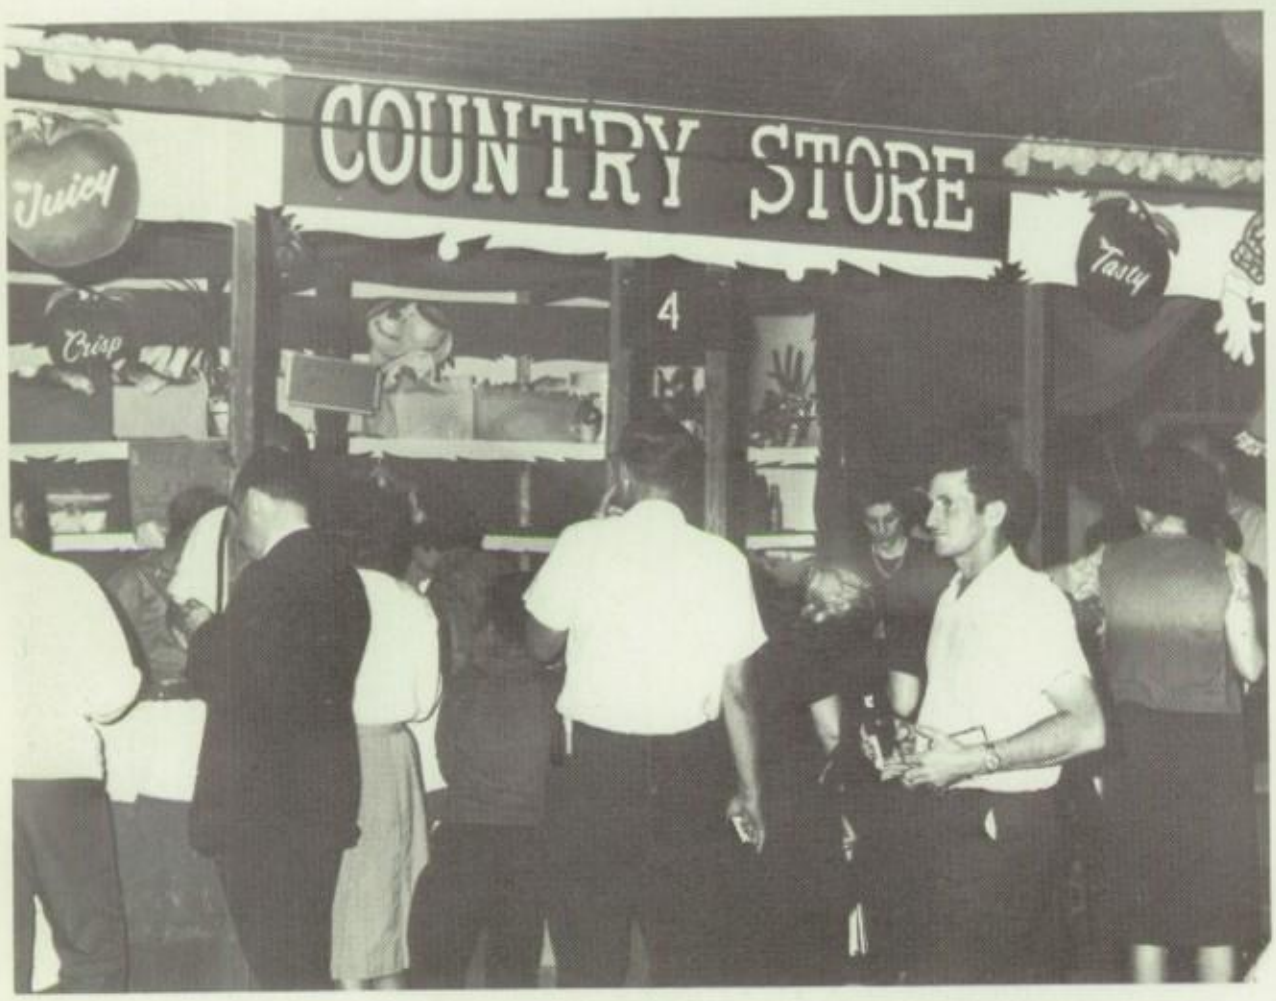
Winner of the 1963 Rambler was Mr. J. McDermott. All in all, it can be said this fair was a great success.

The D.L.S. fair grounds was the only place in the city where the children could play the horses.





Brother Luke's stuffed animal booth was very popular.



No fair would be complete without the good old Country Store.

There were numerous skill games along the midway for those with a sporting interest.

The Doll Booth was one of the favorites with the girls.

Mrs. Cefalu sells chances for the Cake Booth.

By far the greatest money-maker, and certainly the most popular, was the ticket booth.

FATHER-SON NIGHT

BUFFET SUPPER ATTRACTS CROWD

The annual Father-Son Night on November 12, was a complete success; over 400 students and their fathers attended the affair.

Following the suggestions of Brother Cassian, the traditional shrimp boil was abandoned in favor of a buffet supper. Also, the supper honored the past-presidents of the Boosters' Club. Each president introduced some of the boys who had gained scholastic recognition during the previous year.

The guest speaker for the evening was William J. Dodd, Superintendent of Education, who congratulated the honored students on their achievements and urged them to strive for bigger and better things.

THE D.L.S. BOXERS

D.L.S. VS JESUIT TO RAISE MISSION MONEY

In order to raise money for their mission drive, the members of senior class 4-A of Jesuit High School challenged class 401 of De La Salle to a boxing tournament.

The DLS boxers got off to a good start in the first bout of the evening. Jimmy Frantz staggered his opponent in the third round and scored a TKO. In the second bout Mike Murphy fought well, but he was forced to leave the ring a valiant loser in the last round.

John Tackney landed a vicious left to the jaw of his rival and KO'd him in round three. Elliot Hano battled his foe for three rounds with neither boxer giving up.

John Godell used speed and power to outpoint his opponent, dominating the fight entirely. Greg Serwich and his opponent battled very evenly for the three rounds, leaving quite a decision for the judges.

The feature bout of the evening saw Schott Mumme score a TKO over his opponent, Mike Herman. Mumme's right to the face resulted in a broken nose for his foe.

Elliot Hano "sizes up" his opponent.

SCIENCE FAIR

Every year students with many and varied interests look with eager anticipation to the De La Salle Science Fair. The 1964 event was no exception, as a maze of projects representing all the sciences transformed the Cav gym into a very impressive exhibition. Mr. Felix Gaudin, a Biology major, did a fine job again this year in directing the scientific extravaganza.

The Fair aroused a great deal of student interest on all school levels. Many science teachers prodded the reluctant by requiring their students to prepare projects for the Fair, usually with the intention of allowing the most ingenious and impressive creations to be displayed publicly.

Projects were entered in one of six categories: physics, chemistry, biology, math, history, and civics.

J. Mauffray placed second in the broad jump.

The annual De La Salle Intramural Track Meet was held this year at NORD Stadium, with 303 emerging as the top class in the school.

The freshman contest became a two-team race, but it was a lulu. Room 107 eeked out a victory over 104 by a margin of 65½ to 64⅚.

Room 208 ran away with the sophomore meet, outscoring 204 by a margin of 80½ to 39½. Overall, the sophomores beat the freshmen 161½ to 76½.

The junior meet was dominated by 303. The class won it by outpointing 302, 73½ to 42½.

The senior meet proved to be the most balanced of all, as three classes battled it out for first place. Room 407 with 47 points emerged victorious, as that class overcame 403 with 45 points and 402 with 18½ points.

Despite 303's onslaught, the seniors beat the juniors, 124½ to 115½.

JUNIOR-SENIOR PROM

SPIRIT OF 1776 DOMINATES EVENING

The theme of this year's prom was "The Spirit of '76", but it could have been well renamed, "The Spirit of '64". Held in the International Room of the Roosevelt Hotel, the prom was an emense success. The favors, including a bank in the shape of a drum and an American flag, carried out the theme.

Those who attended received a very special treat in the music department with not only one singer but **seven!** The boys were attired in white or blue dinner jackets with a few very sporty exceptions. The girls were, as usual, just the most beautiful things possible, which is about the limit of this writer's scope.

In all, the prom proved a wonderful time for all as proven by the large number of students who stayed until the end which was one a.m.

Special recognition goes to Dave Hemphill and the Student Council for the great job they did concerning the preparations for the prom.

Senior members of the State Rally team: D. Sigler, J. Heard, R. Sarradet, F. Wells, F. Williams, M. Murphy, D. Shindler, J. Wilhelm, R. Williams, J. Guidry.

STATE RALLY

On April 11, a bus left the school grounds of De La Salle High School at 6:00 a.m. Its destination—the campus of Louisiana State University in Baton Rouge. The purpose for the trip—the annual Louisiana State Rally.

The members of the team from De La Salle had spent weeks of careful study and preparation for this rally, and now the time had come. In a few hours they would know whether or not they had studied enough.

The day for the tests was perfect, and even though the team didn't win first place, all were glad they came because of the experience they received.

Other members of the team: J. Farwell, M. Caire, F. Bologna, A. J. Lorio, C. Thensted, P. Bryant.

SENIOR PROM

A FITTING THEME "BON VOYAGE"

The theme of this year's Senior Prom was "Bon Voyage", and, in keeping with the atmosphere of the gala affair, all those attending were given Polynesian lais and sailor hats.

Held in the spacious Grand Salon of the Royal Orleans Hotel on May 1, it was, in the words of most students, "the greatest prom ever held at De La Salle. And rightly so, for providing the entertainment were four of the most popular recording personalities in the New Orleans area: Deacon John and his Ivories; Benny Spellman; Danny White; and Clarence "Frog Man" Henry. Benny Spellman became very popular with his timely joking about "the big bad man"—Brother Leo. To top the evening off, many a laugh was gained by a few of the lay teachers when they danced.

Graduates do the Hully Gully to "Leo needs somebody".

TALENT SHOW

CAVALIER SWEETHEART NAMED

De La Salle does not have a dramatic club. So in order to compensate for this, it holds an annual Talent Show at Municipal Auditorium. Not unexpectedly, the turnout—both as regards the audience and the people aspiring to be in the show—was tremendous.

This year was one of the best yet. Most of the time, the acts that win the prizes are, with few exceptions, the only good acts. But this year saw a change; almost all, not just a few, of the acts and skits participating in the show were first class. Furthermore, there was a wider range of acts than ever before. For example, we saw several types of musical numbers, ranging from the improvisations of Tim Herbez and his combo to the excellent choreography in the prize-winning Brigadoon. The Goldenairs made their second appearance this year and showed their improvement by winning a first place.

Highlighting the skits was a combined Junior-Sophomore version of the sophisticated, "That Was The Week That Was." It was truly an excellent show.

A Clarinet Quartet composed of R. Spadafora, S. Campo, D. Trahant, G. Ascani, provided some "high-brow" entertainment.

Some of the members of the opening chorus.

Class 401's "Brigadoon", excellently choreographered by Gayle Parmalee was one of the best numbers in the show and took second place in the dance category.

Tad and Joe Duggan took first place in musical combos with their folk singing.

The Cavalier Tumblers thrilled the audience with their daring gymnastic feats.

The Mercy Rocketts in "Shine on Harvest Moon" were the guest performers of the evening.

Frank Zimmerman placed second in the solo category with his classical piano solo.

"The Caesarian Expose" by the Fellow Romans of 304 brightened the evening with slapstick comedy.

"The Java Safari" took first place in the dance category.

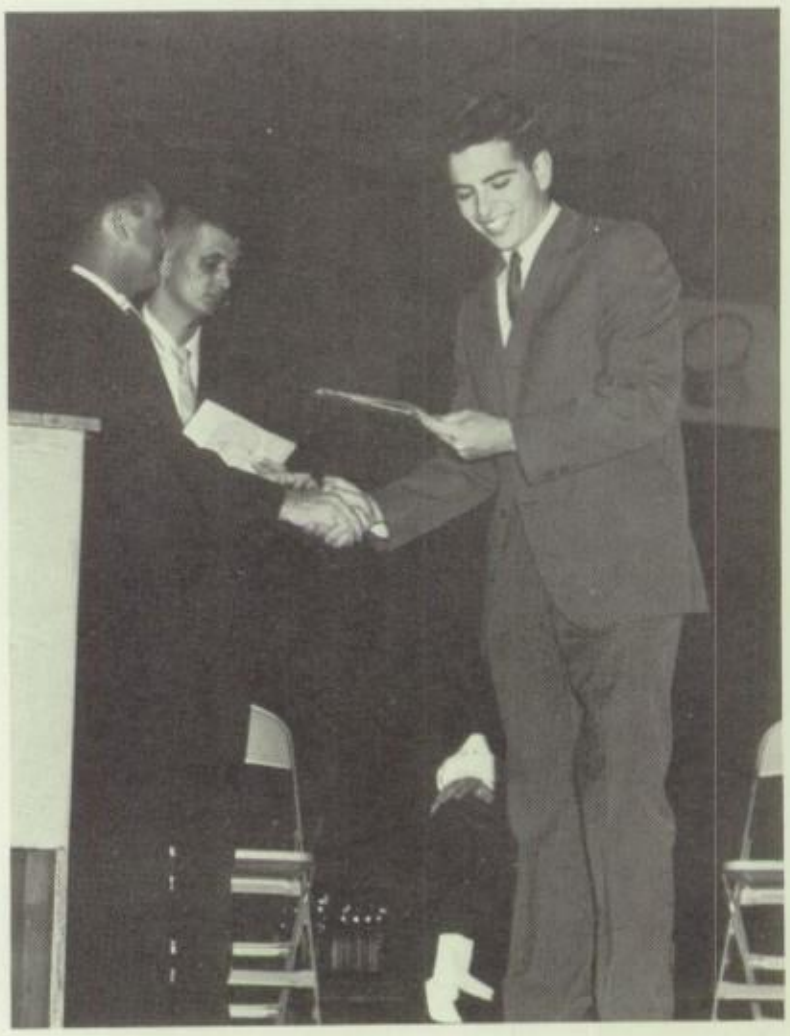
AWARD NIGHT

Chris Callens receives a Science Fair medal.



Bro. Howard leads the audience in the closing prayer.

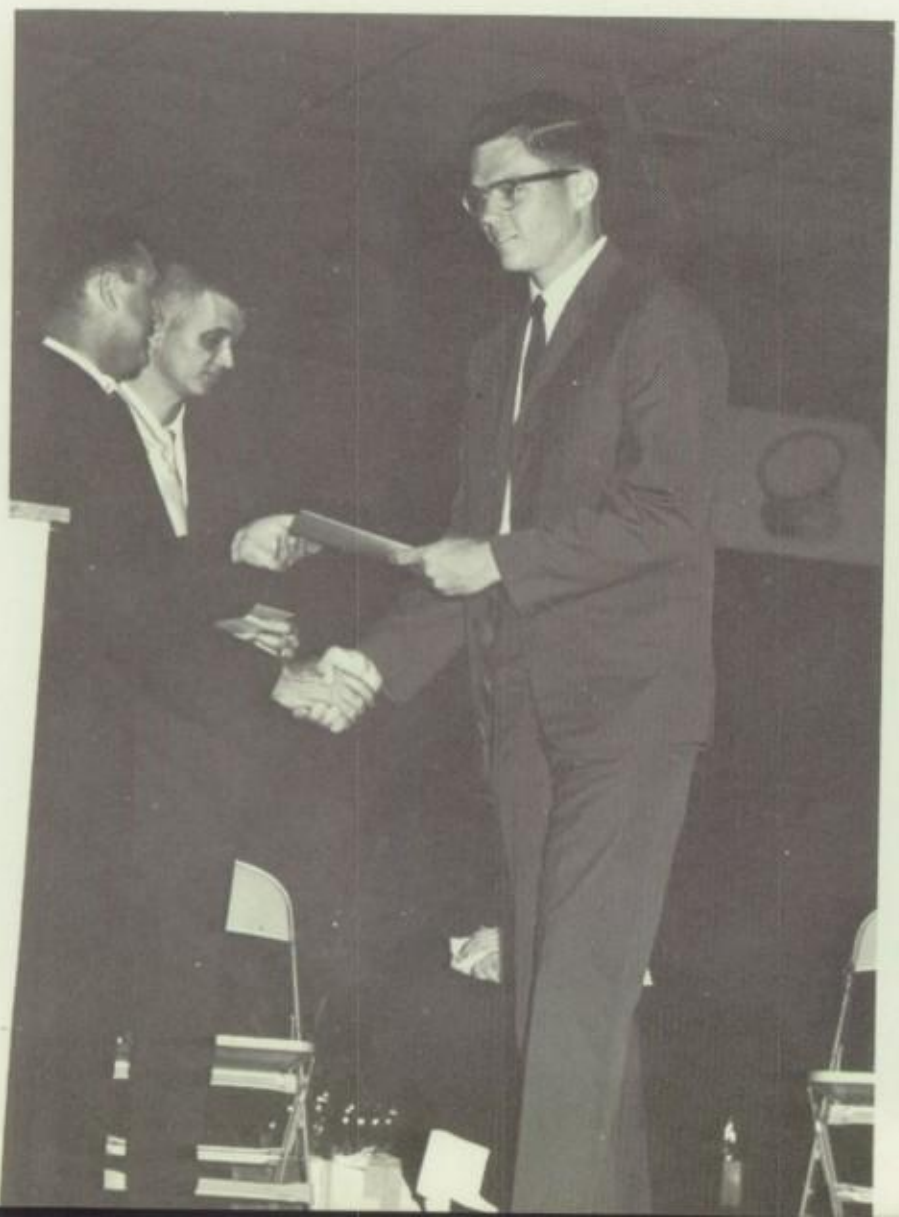
John Melnyk receives Torch Award IV.

David Sigler receives Cavalier Editor Award.

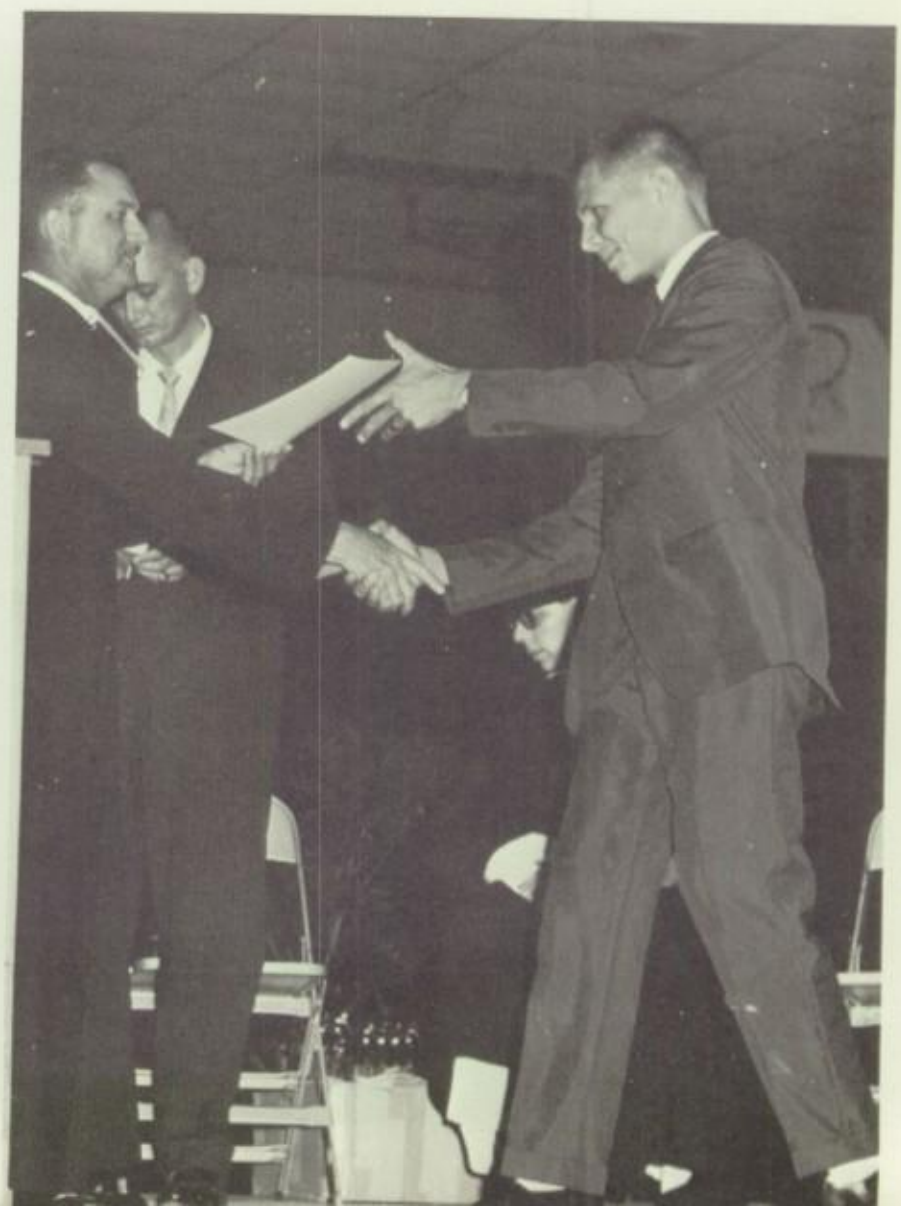
The third annual Awards Night was held in the gym on May 29th. Over 120 students received awards in 20 different categories. Academic awards, literary honors and athletic awards not given in previous ceremonies were presented to the students deserving them.

Award night was initiated by Bro. Cassian, Mr. Murphy and Mr. Gaudin in order to show recognition on those students who did above average work during the school year. Previously these academic awards were presented at an assembly of each division, and only the students of that class knew about the honors of a fellow student. Bro. Cassian wanted to give more recognition to those boys who worked so hard for these honors. Many thanks must go to him as well as Mr. Murphy and Mr. Gaudin for the excellent job they did in making the Night a success.

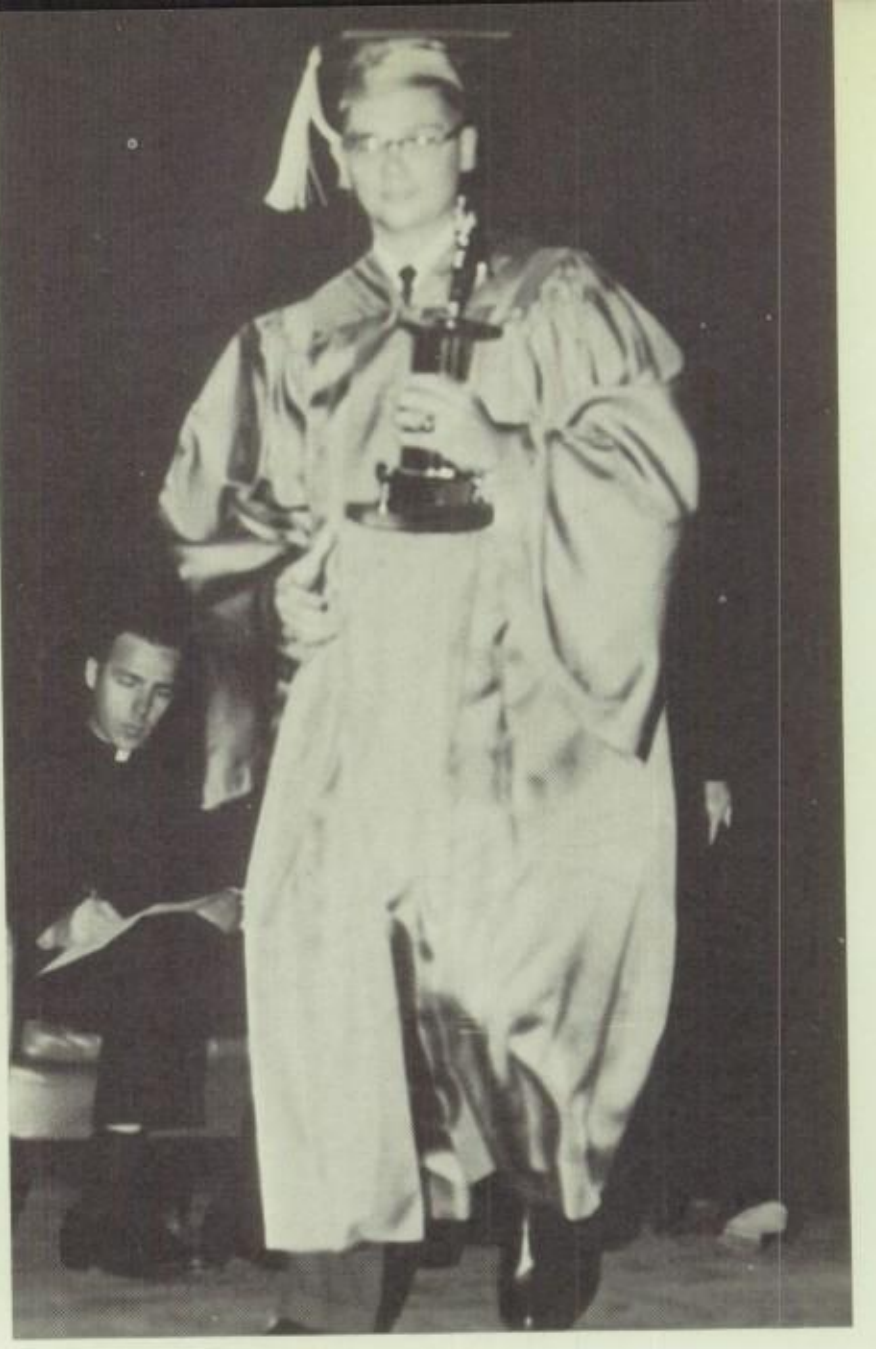
Ed McCabe receives 4 yr. Perfect Attendance honors.



Harry Nelson receives one of the literary awards.



The Bell Telephone Award is received by Mike Murphy.



Joe Wilhelm receives the Cavalier Award.

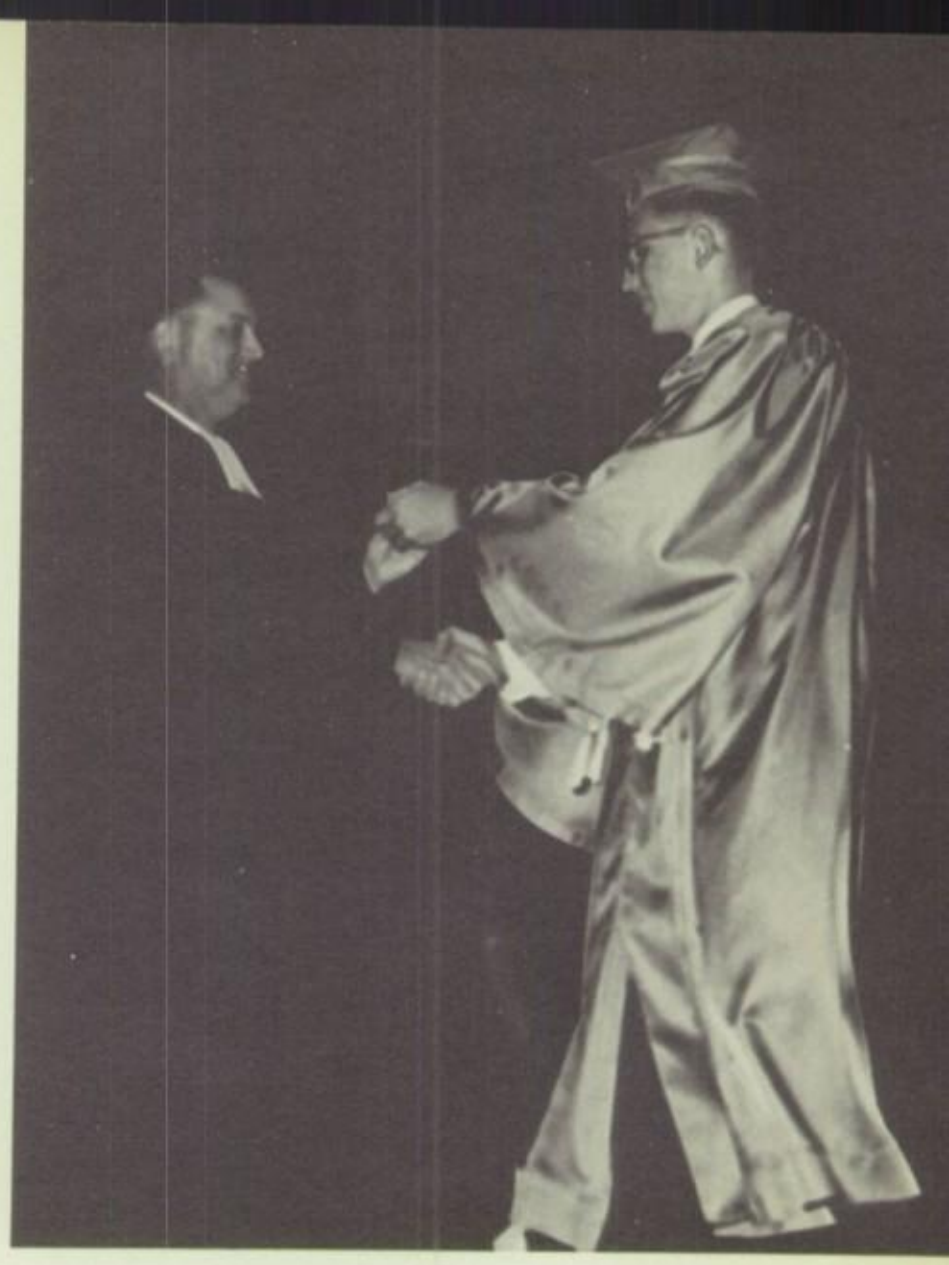
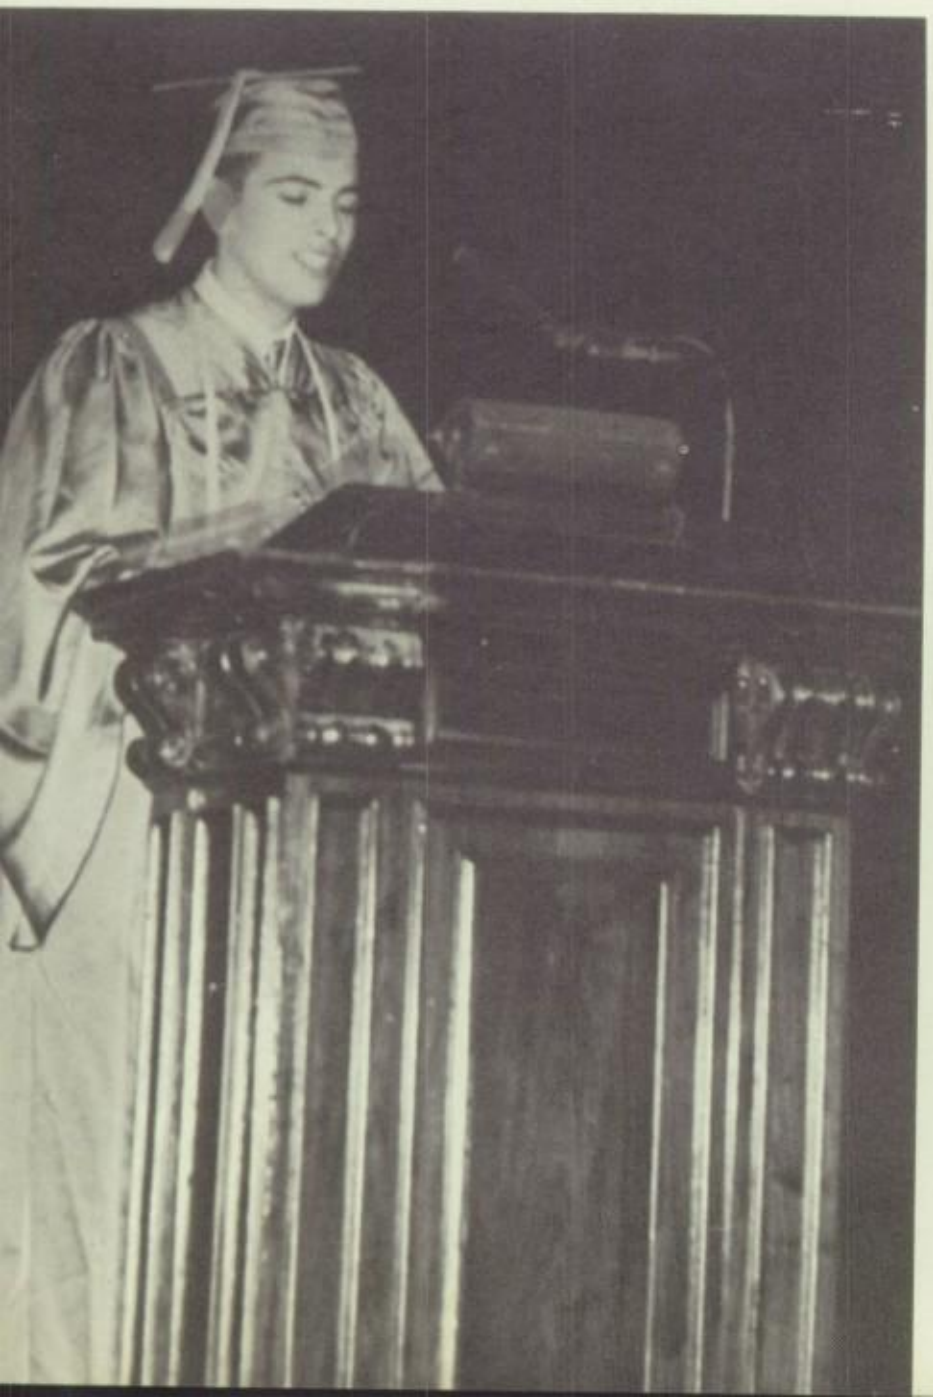
Guest Speaker for the evening was Mr. Guste, Attorney.



D. Michael receives the Religion Award.

Michael Murphy: Valedictorian



Held at Municipal Auditorium on May 31, the Twelfth Annual Commencement Exercises of De La Salle High School was the largest in the history of the school. With two hundred and forty-five graduates, Michael Murphy was Valedictorian, and Donald Michael was Salutatorian.

The diplomas were distributed by Father Louis Generes, Assistant Superintendent of Schools in the Archdiocese of New Orleans; the inspiring commencement address was delivered by William J. Guste, Jr., an attorney.

The American Legion Award is presented to John Melnyk.

CAVS POST 8-2

Though no championships were won by coach Leemon McHenry's aggregation, the 1963 edition of the De La Salle Cavaliers was a team any school could be justly proud of. Posting 8 victories in 10 outings, the Maron and White had one of prep football's most formidable attacks, and they boasted a stalwart defense. Key men in the Cav lineup were tri-captains Schott Mumme, Adrain Mentel, and Milo McCarthy, a trio of hard-nosed seniors. Mumme played both offense and defense from his end position, and gained "best offensive lineman" laurels at the end of the year. Mentel was a swivelhipped halfback who also played defensive back with a flourish. McCarthy was a block-busting fullback. At the end of the year Mentel was honored as most valuable player and best defensive back and McCarthy walked off with the trophy and best offensive back.

TEAMWORK MEANS SUCCESS

The 1964 edition of the De La Salle Cavaliers, although short on height, were BIG on hustle and determination, and chalked up another successful season under veteran mentor Johnny Altobello. The Cavs notched 21 victories against 5 losses, and gave the state champion Jesuit team a run for its money before bowing out. De La Salle was the only team in Louisiana to down the Jays. Captain Ronnie Scott and All-State forward Johnny Arthurs were the main reasons for the Maroon and White's success on the hardwood, but the other members of the team were very definitely instrumental in that success. Much credit for the successful season must be attributed to Mr. Johnny Altobello, Mr. Jack Smith, and Mr. Lenny Betzer, who did a creditable job in coaching the team.

VARSITY BASEBALL

STATE CHAMPS USE STRONG DEFENSE

The De La Salle Baseball Team of 1964 was not a team to fold under pressure or stay down when the breaks were against them. Oblivious to the many obstacles that crossed their path, the Cavs swept to the Louisiana State AAA title, knocking off favored Istrouma in the playoff series.

Pitching and good defense were the fortes of the Cavaliers, spiced with timely, if not overpowering, hitting. In 25 games Cav opponents could muster but 41 runs, an average of 1.6 runs a game.

The team had individual stars, such as Jerry Schoen and George Baracco who gained all-state laurels, but the success of the team must certainly be attributed to the way they played, as a unit. Also their fine coaching staff must be commended.

TRACK

YOUNG BUT PROMISING

Under the tutorship of Coach Leeman McHenry and his competent assistants, the 1964 Cavalier Track Team compiled a formidable record. No district or state crowns were won, but the DLS thinclads can be proud of their efforts and achievements.

The Cavs made a creditable showing in all their meets. All members of the team played an important role, though some are worthy of special recognition. In the Westside Relays, junior Larry Mickal set a new discus record with a toss of more than 148 feet. Another promising trackman is David Lore, who collected honors at the District Meet in City Park Stadium.

If this is any indication of next year's team, then DLS can make room for a few more trophies.

CIVICS CLUB

AN ACTIVE REVIVAL

After two years of inactivity, the De La Salle Civics club has become active again. Under the initial guidance of faculty moderator Bro. Giles, a constitution was drawn up and a four-man executive committee was elected to govern the club.

One of the campus's most active organizations, the Civics club sponsored such activities as a mock gubernatorial election last fall, a tour of the city's courts, and a clothing drive for the poor of the city. All of these activities, as well as the various other activities performed during the year, were designed to make the student body more aware of their civic duties and of the democratic processes of government.

MAROON LEGEND

Division Editors: R. McAdams, E. Anderson, J. Melnyk, F. Williams, K. Prattini.

The two ingredients which usually add up to an efficient and coordinated organization are able leadership and untiring workers. This one-two combination is the formula which this year characterized the entire Maroon Legend Staff. Ken Prattini, the 1964 Editor-in-Chief, provided the able leadership along with Bro. Justin, the staff's moderator. Their untiring work in organizing and editing the endless layouts and copy has made possible one of the best editions of yearbooks in years. More than anyone else these two leaders along with division editors John Melnyk, Fred Williams, Ed. Anderson, and Bob McAdams deserve any congratulations or credit this book may receive.

As you can imagine the two ingredients aforementioned are completely interdependent. Without the workers there would be no need for leadership—chaos. DLS can truly be proud of both the ingredients and the resulting dish—this year's "Maroon Legend".

DEBATE

What is the purpose of debate? The purpose is to learn the arts of logic, orderly thinking and self confidence. Under the guidance of Bro. Marshall, the team has compiled an excellent record. This year our debaters were in several tournaments such as those at Tulane and Georgetown Universities. These, along with the many other debates throughout the year, have produced a fine, well-rounded team.

MATH FRATERNITY IS LARGEST D.L.S. CLUB

To question the opportunities unfolding in the field of mathematics is to question opportunity itself. For in a sense, mathematics is opportunity. Opportunity to explore, investigate and discover new answers to old problems. To such an end is the De La Salle chapter of Mu Alpha Theta dedicated.

Relatively new on the De La Salle campus, Mu Alpha Theta has grown rapidly in both quantity and quality. As more emphasis was placed on mathematics as a career as well as a science, the enthusiasm of the students increased. Today Mu Alpha Theta can claim an active membership of 55. But since mere numbers cannot justify the claim to a truly good organization, the chapter president, Bruce de Leon, in cooperation with the new moderator, Bro. Charles Klein, have emphasized the need for a real understanding of the principles of math and not simply the mechanical process of formulas and functions.

DLS placed two of its members on the state officers board: Phil Briant and Mike Caire. Surely it can be said the future of the De La Salle chapter cannot look brighter.

CAVALIER NEWSPAPER

"Efficiency" was the byline of the Cavalier Staff this year. Having perfected the format of the newspaper, the staff was able to turn out an issue every six weeks. The highlight of it was the addition of a four-page literary supplement to the regular issue, called the "Book-worm". Last year, the moderator, Bro. Amedy, served merely as an advisor, leaving the effort to the editors-in-chief. All factors considered, it can be said that this year's newspaper was really "First Class".

Cavalier Staff: K. Schroeder, R. Sarradet, D. Shindler, S. Kogos, M. Patterson. *Missing:* F. Williams.

NEW ORGANIZATION BOASTS 50 MEMBERS

A new organization has appeared on the scene at De La Salle—the DLS chapter of the National Honor Society. The society, based on the four cardinal virtues of Character, Scholarship, Leadership, and Service, has inducted 50 students as charter members. Juniors and Seniors are active members and have all rights and privileges of the club. Sophomores are provisional members—they cannot hold office.

As long as a student maintains a "B" average, he remains in the Honor Society. The society membership forms approximately 4% of the student body at DLS.

Membership into the club is not for all. Only those who have passed a board of teachers can qualify for the distinction of belonging to DLS's newest club—The National Honor Society.

THE D L S CAVALIER BAND

NEW DIRECTOR STEPS UP PACE OF MUSIC-MEN

This was a good year for the band! The watchword was "Good sound and good action". There was the excitement and clamor of the football games, both at home and on the road. There was the glamor of the Mardi Gras parades and the achievement at the concerts. The LMEA contests inspired many Superior rated performances and some Excellent ones.

Thanks to the Boosters' Band Committee and their many helpers, funds were raised to cover game trips and various current expenses besides eagerly anticipated new uniforms.

The band has lost eleven seniors, but has gained many new members, giving promise of a still better Cavalier band for next year. Band Officers: Gary Ascani, David Isidore, Leonard Nederveld, Maurice Carrouche.

CONFRATERNITY OF CHRISTIAN DOCTRINE

C.C.D. Executive Board: D. Mayer, R. Sarradet, M. Rovira, F. Sahuc, F. Hauffe.

God has given His command to spread the word of Christ and the members of the C.C.D. are doing so. These generous young men are devoted to bringing the "Good News" of Christ to the less fortunate of His flock.

To carry out this noble work, the members of C.C.D. spent many long hours learning how to teach. Then the work began. Every Saturday morning they got up early and went to their mission, The Little Flower of Jesus Parish. There they instructed the first through the sixth grades, thus relieving the work of the much-burdened parish priest.

With the assistance of God's grace and Bro. Justin's supervision and labor, the work of this unrenowned organization will continue to spread Christ's "Good News".

Altar Boys: J. Massarini, C. Ward, H. McNeil, A. Speziale, G. Serwich, B. David, J. Scorsone, J. Quackenbos, T. Triche, Bro. Jeffrey, moderator.

THANKS MR. GASTON
HAS SERVED SCHOOL FOR OVER 12 YEARS

In all your years at De La Salle you have undoubtedly seen Mr. Gaston Vandevoorde quietly performing his many duties. To the students this well-liked man has come to be known as a permanent fixture of De La Salle. Mr. Gaston began working for De La Salle as soon as the school was built in 1952 and has worked faithfully for it since.

Mr. Vandevoorde came to the United States in 1948 from France "to get away from the war". In 1953 Gaston was featured in Dixie Roto Magazine as a woodcarver, and on Citizens' Day in 1958 was hailed as "the most representative New-American family" in New Orleans.

In behalf of De La Salle High School, that is, its administration, its teachers, its students and their parents, its alumni, and everyone connected with the school, we of the yearbook staff sincerely thank Mr. Vandevoorde for having given over twelve years of dedicated service to the school; and we humbly ask him to continue his work for many more years.

Mr. Gaston Vandevoorde, *Maintenance Manager*

Mr. Gaston performs one of his many daily chores.

Never without a "Headline" cigar, Mr. Gaston always wears a cheerful smile.
